Edit „Manager“ - ToDo in form:

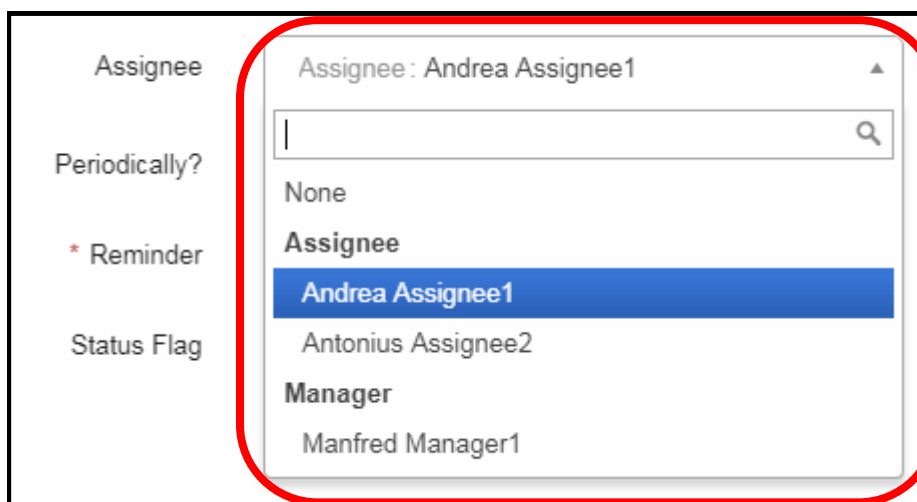

The screenshot shows a form with several fields: *** Manager**, **Assignee**, **Periodically?**, *** Reminder**, and **Status Flag**. A dropdown menu is open for the **Manager** field, displaying a search bar, a list of options including **None**, **Assignee**, **Andrea Assignee1**, **Antonius Assignee2**, and **Manager**. The **Manager** option is expanded, showing a sub-list with **Manfred Manager1** highlighted in blue.

This list is okay!

Although, it would be better if there was a list of managers only.

This list is okay too!

Although, it would be better if there was a list of assignees only.
